

Benefits of Training with Vertical Horizonz Group

Dependable

- > When we undertake a job we ensure it gets done
- > Prompt and efficient service from all staff members
- > We have 48 trainers based strategically around the country, which ensures coverage in those 'hard to reach places'

Flexible

- > Huge range of courses to choose from
- > If no NZQA unit standard exists we can design courses specifically for you
- > Training can be delivered 24/7 your place or ours
- > NZQA courses are made specific to meet YOUR needs
- > We can access funding on your behalf given certain eligibility criteria

Quality Assured

- > National Coverage ensures standardisation of training throughout the country
- > Where possible your courses are aligned with an NZQA unit standard ensuring you are fully compliant under the Health and Safety Act
- > We ensure our Trainers and Assessors have the correct qualifications to train and assess
- > Our Trainers and Assessors have proven industry credibility, 'they know what they're talking about'

Simple Processes

- > An 0800 number for the booking of all courses throughout NZ
- > Friendly staff who can assist you on any training related matter
- > Subject matter experts who can advise you of industry best practice
